

Information to assist you with filling out the 2018 Volunteer Registration form

All people who volunteer at Farina must be registered. This is an Adults Only work program.

We will encourage all volunteers to work on Farina projects according to their skills and abilities. An opportunity is also available for you to experience other areas of work.

Selecting your dates

We would like you to arrive on a Saturday and leave on a Saturday.

Select a **Maximum period of 2 weeks** that you wish to stay (the left hand date range selector). Also, using the right hand date range selector, indicate the weeks that you are **Unavailable**. This is to enable us (should the need arise) to discuss with you (by phone) the possibility of moving your on-site time to better match your skills with our scheduled program requirements.

Single weeks are available, particularly in weeks 1 and 8. Your selection may start on either odd or even weeks. If you're unsure of your available dates, please suggest alternatives in the information section of the Volunteer Registration form.

You will appreciate that we need to ensure an even number of volunteers over all weeks, thus we may have to discuss alternative dates with you.

The bakers have a 7 day roster. They should arrive on a Friday, and leave on a Sunday. Potential bakers should discuss this with our Managing baker, Laurie Gray (0427 587 362). You may email Laurie via his contact form in this web site.
