## THE CENTENARY OF SERVICE

The ANZAC Centenary 2014 - 2018 provides us with an opportunity to remember those who have fought and served in all wars, conflicts and peacekeeping operations in the past hundred years. Also to remember the more than 102 000 Australians who have given their lives in service.

In particular, this War Memorial precinct storyboards remembers and honours 63 Farina citizens who were active servicemen in World Wars 1 & 2. The nine of their number, who paid the supreme sacrifice, are especially honoured on the adjacent Memorial wall.
